

Notice of Reasonable Accommodations and Modifications available at MWC Career Centers

MWC will provide reasonable accommodations to qualified individuals with disabilities who utilize Workforce Innovation and Opportunity Act (WIOA) program services, unless providing the accommodation would cause undue hardship. This policy encompasses:

- **All WIOA needed services.**
- **All federally mandated WIOA partner programs providing services in MWC Career Centers.**
- **MWC's oversight responsibilities of non-mandated partner programs providing services in MWC Career Centers.**
- **MWC's oversight responsibilities with private businesses using MWC Centers for recruiting.**

If you have any questions, please contact front desk staff for assistance. If you need an accommodation or modification because of a disability, please complete a "Reasonable Accommodation Request Card" and return it to the front desk.

MWC staff will provide information and options available to assist you in making an accommodation or modification to program services on account of your disability.
