

Looking to become an ACCESS Point? (Applications Due January 6, 2012)

If you're part of a faith or community-based organization interested in helping job seekers in your community, you may want to join your local workforce network by becoming an Access Point.

Access Point staff are trained, connected to employment resources and supported by professionals on staff with Maricopa Workforce Connections (MWC) and Phoenix Workforce Connection (PWC).

Access Point Requirements:

- 1 Computer (minimum)
- Land line
- Fax line
- Staff availability

Your request will be carefully reviewed and notification will be made within 30 days of submission. We're unable to grant all requests submitted; however, we will provide connections with community partners who can share employment resources with you.
