Community Health Priorities

This short survey, administered by the Maricopa County Department of Public Health and the Arizona Department of Health Services, is a precursor to the development of a Maricopa County Community Health Improvement Plan. We would like to collect your opinion and include the feedback with the health asessement data we've been collecting.

The survey should take you only five minutes to complete. Your individual answers will be private and not shared with others. Once you've hit "done" at the end of the survey, you will not be able to change your answers or return to the link. Thank you for taking the time to give us your input!
