#### **PROCESS**

#### **PURPOSE**

The primary purpose of a pre-application meeting is to provide an applicant or property owner with specific information on requirements for the applicant or property owner's proposal from representatives from Current Planning, Comprehensive Planning, Zoning Plan Review, Drainage Review, Transportation, Environmental Services, and Flood Control District of Maricopa County. Whether or not a development proposal is supportable by staff may be discussed, but final determination will not be made until a formal application is evaluated.

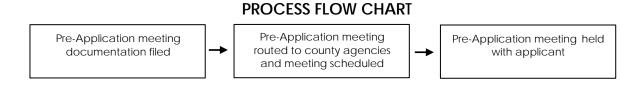

#### FILING AN APPLICATION

The Planning and Development Department has designed this pre-application meeting service for clients who would like to meet with staff prior to a planning submittal to guide their efforts and resources. Pre-Application materials can be dropped off at the Planning and Development drop-off bin located outside the front door or submitted electronically.

To submit electronically generate Adobe PDF's of the application form, narrative and site plan and send via e-mail to <a href="Rachel.Applegate@maricopa.gov">Rachel.Applegate@maricopa.gov</a> Staff will generate a tracking number with e-mail notification to the applicant with the balance owed with instructions to contact the Planning and Development Cashier to process payment. Once payment has been made the Pre-Application materials will be routed and a Pre-Application meeting will be scheduled. All Pre-Application meetings are currently being held via Gotomeeting.

Application(s) determined to be incomplete shall not be processed by staff. Once these materials are received, they will be distributed to County reviewers and the applicant or property owner will be contacted with a pre-application date and time. Agendas are limited and are filled on a "first come-first serve" basis (see attached schedule).

A copy of the signed pre-application form with meeting notes will be given to the applicant or property owner after the meeting and will be a submittal requirement for future formal applications. Pre-application meetings are only valid for a period of twelve (12) months, after which, a new pre-application meeting may be required under separate fee.

Pre-Application meeting to be held approximately 2 weeks following application, depending on availability; meetings are scheduled on a first come, first serve basis, and cannot be scheduled until documentation is filed.
